

Family Volunteer and Ambassador Agreement

Families of students in the Mater Dei education program are required to contribute 10 hours of volunteer service throughout the year AND commit to recruiting new monthly givers in the Mater Dei Monthly Match Program, to the best of their ability.

Volunteer opportunities include:

- Volunteer on the Development Committee (monthly meetings)
- Volunteer on the Marketing Committee (monthly meetings)
- Volunteer on the Parent & Student Life Committee (monthly meetings)
- Volunteer as a TA in classrooms with remote instructors
- Volunteer as a substitute for staff if needed
- Bake or supply refreshments for various events throughout the year

Details of the Monthly Match Program commitment:

- The goal for each family is to secure recurring monthly donations amounting to \$250 per month. Alternatively, they can work to secure one Mater Dei Partner.
- The goal can be reached with the family's own contributions or by recruiting relatives, fellow parishioners, community members, or any person or organization that wishes to support the mission of Mater Dei Apostolate, a 501 (c)(3) nonprofit organization.
- Each family is required to attend an annual orientation in August to be trained on how to describe and promote the Monthly Match Program.
- Each family will receive an ambassador packet including guidelines, marketing materials, letters and donation slips to assist them in reaching their goal.
- Each family is required to schedule a follow-up meeting in December with Mater Dei administration, to give an overview of their recruitment efforts, and receive help.

All families of registered part-time and full-time students are required to participate as ambassadors, according to this agreement.

I have read, understand and agree to comply with the above stated volunteer and ambassador agreement for Mater Dei Apostolate.
