

Dear

Generous partners of my school, Mater Dei, have created a special fund that helps keep our school tuition-free (with only minimal registration fees). This special fund is a "matching fund" and it can only be used when someone signs up to give recurring monthly donations to Mater Dei. When someone commits to giving \$50 or more per month, each of their donations will trigger a match from this special fund....which means that my school actually receives double their donation!

I am writing to ask if you will consider becoming a monthly giver for my school, so we can access these funds?

Mater Dei is a 501 (c)(3) non-profit organization, so all donations are tax deductible. The mission of Mater Dei is to provide Catholic high school education for families that is affordable, accessible and authentically Catholic. Many supporters of Mater Dei contribute monthly as part of their tithe because the Catholic education of youth is essential for the growth and success of all other missions within the Church.

As a monthly giver, you will ensure that I (and many other students) continue to have access to high quality Catholic education that is typically out of reach because of high tuition. We will pray daily for you at our school and you will be entered into a monthly rosary drawing! We will also send you a monthly newsletter during the school year so you can see what we're up to and how our program is growing, thanks to your generous support.

If you would like to become a monthly giver, you can sign up to give online at:

materdeiapostolate.org/monthly-match-program

Or you can simply send a check in the mail each month, with "recurring monthly donation" written in the memo. Checks can be made out to Mater Dei Apostolate and sent to:

Mater Dei Apostolate
PO Box 3359
Duluth, MN 55803

Many of our monthly givers set up automatic monthly payments to Mater Dei through the free bill pay feature at their own bank. Just enter in Mater Dei Apostolate as a new "payee" and then set the amount. Be sure to list "recurring monthly donation" as the memo or account number.

If you decide to become a monthly giver, please just let me know the amount and the day of the month you intend to send it, so I can let my school know for their records. It is the personal goal of my family to secure recurring monthly donations amounting to \$250 per month. Your donation will help me to reach this goal.

Thank you for considering my request and please let me know if you have any questions. I am so grateful to be a part of this school and to know that it is made possible through the support of so many generous people who believe in this mission.

Sincerely,
